

Our campaign to support UCTRC

The UCTRC Alumni Association has been established. This body of volunteers aims to be a source of guidance and financial support for the club as well as a nucleus for its network of alumni. We call on our fellow alumni to join us in our maiden initiative: the Fish and Chips Fund.

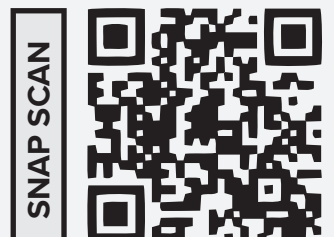

You can help the club thrive. We request each alumnus to make a monthly donation of between R100 and R200 to the Fund via debit order or SnapScan. This purchases a meal at one of the Cape's best Chippies, and doubles as a show of support for the club we all know and love.

The club we all know and love is in need of our financial and institutional support. The funds donated to the Fish and Chips Fund will be applied in support of the club's strategic goals and financial needs, both in the short- and medium-term, including:

- The procurement and improvement of equipment;
- Assisting with the strategic planning initiatives of the Club including assisting with overseas tours, transformation initiatives and the hiring of coaches; and
- The activities of the Board including organising events.

These are some building blocks of the club at its fullest potential: the best organised rowing-club in South Africa. Chipping into the Fish and Chips Fund is easy. Just set up a monthly payment or debit order for an amount of your choice to the following account:

Account Holder:	Chairperson of the UCTRC Alumni Association
